

22 Vets A Day Commit SUICIDE

This is the VA count.
Other estimates put it
north of 40 per day or
over 15000 per year!
Only Holistic Healing
is Proven effective on
Post Traumatic Soul
Distress (PTSD) ~ a
Spiritual problem, not
a Mental Illness

We have seen NO
compelling evidence
that "Cognitive
Behavioral Therapy"
(CBT or Talk Therapy)
or Pharmaceuticals are
effectively solving this
problem ~ it has been
said that 30% of these
suicides occur while
the Vet is in treatment
by the VA for PTSD

Fun Fact(s)

1 out of 6 citizens of
South Vietnam were
KILLED outright in the
war, 4 out of 6 were
traumatized.

There is **NO** PTSD in
South Vietnam!!

and **NO** "scientific" healthcare ;-)

They put it **ALL** on the line for US
Now it's **OUR** turn to take care of **THEM!**
